

Exchange Programs at Campus Hamar, Norway Application Deadline 1st June

Dear Partners at EPC,

In this e-mail you will find information about the exchange programs on offer at Hedmark University College, Campus Hamar in the academic year 2013-14. We hope you can help us to spread this information among interested students. We would be delighted to accommodate your students at the Faculty of Education and Natural Sciences in Hamar.

Application Form and Learning Agreement can be found in the attachments. It's easy to apply, all you/students need to do is complete these forms (alternatively corresponding forms used at the home institution), attach a Transcript of Records and send it to me using the address below.

The application deadline for the autumn semester 2013 is **1st June**. Students can apply for a one semester stay or a full year (autumn + spring).

The academic year at Hedmark University College is divided into two semesters, which last from mid-August to mid-December and early January to mid-June, respectively. At the Biotechnology exchange program the second semester begins in early February.

Biotechnology - 30/60 ECTS:
