ENHANCE

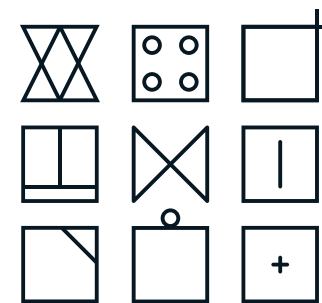

PRAXIS is the Erasmus network funded by the European Union's Lifelong Learning Programme that is creating a European-wide market for Projects/Internships.

PRAXIS will help students to find projects and internships matching their interests, and will provide higher education institutions and companies with an infrastructure through which projects and internships can be offered to students.

praxis

The **PRAXIS Virtual Market** website will be launched on the 10th of October 2013. Embracing at least 60 higher education institutions throughout Europe, with more than 100,000 students, and 200 companies.

Disclaimer. This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

praxis

Whether you're a student or a company, the **PRAXIS** journey is all about the experience!

Students, employers, research centres, teachers, higher education institutions and companies in the field of ICT, Science, Engineering and other study areas, are invited to join the European Virtual Market for Project/Internship at www.praxisnetwork.eu

Learn more about the PRAXIS project through WWW.PRAXISNETWORK.EU

Benefits for companies

PRAXIS, THE GATEWAY TO YOUNG TALENTS

- Reach beyond national boundaries to get the best students in Europe.
- Employ young and eager European talents for your projects.
- Benefit from fresh ideas from the younger generation.
- Find and recruit the most interested and competent students.

Benefits for students

PRAXIS, THE GATEWAY TO YOUR FUTURE

- Access to real-life projects/internships that are on the cutting edge of technology.
- Opportunities to join international teams, experience team work in an international environment whilst developing your 'soft skills'.
- Pick the projects/internships from around Europe that you are really interested in.
- Extend your cv with an international PRAXIS experience!

Benefits for higher education institutions

PRAXIS, THE GATEWAY TO THE EUROPEAN MARKETS

- Get your students to think about their future career!
- Make your students aware of the European employment market.
- Get your students to think seriously about their future employability at an early stage.
- Bridge the gap between higher education institutions and companies!
